Your Kitchen --- *Partner*

Your kitchen is a place where magic happens every single day. Market produce turns into lip-smacking delights, ordinary vessels turn into agents of creating cherished moments and bonds, and you turn into nothing less than the finest chef on the planet - whipping up masterpieces that leave guests astounded by what is possible in this small space surrounded inanimate objects and our kitchen range aims to be your partner in this magical process. Coming from the house of Hindware, the Consumer Products portfolio from the House of Hindware, featuring Hindware Smart Appliances. This premium range redefines the art of cooking with elegantly designed and innovatively engineered kitchen appliances, including kitchen chimneys, built-in hobs, cooktops, built-in ovens and microwaves, dishwashers, induction cooktops, and food waste disposers. Complementing our appliance range is Hindware Kitchen Ensemble, a curated collection of kitchen sinks designed to elevate your culinary experience.

Our products bring convenience, comfort, and ease of use through contemporary designs, myriad styles, and high functional efficiency. So that you can do what you do best - create deliciously magical moments with care and affection.

***We take pride in knowing that we make
a difference in the lives of our customers.***

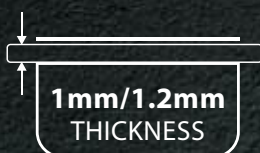

Why Hindware Kitchen

Sinks

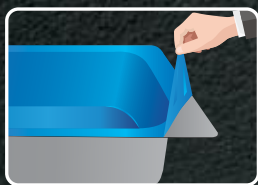

RUST PROOF & ANTIBACTERIAL

Made with American International Steel Institute SS 304 Food grade steel with 8% Nickel and 18% Chromium, this sink ensures extraordinary reliability, strength, durability and superior performance, while maintaining hygiene.

STRONG & STURDY

Hindware uses 1mm/1.2mm thick steel for all its models, which makes the sinks less vulnerable to denting or bending, even after years of receiving hard knocks from utensils.

SCRATCH GUARD LAMINATION

A coloured lamination strip encapsulated all the sinks there by preventing scratches or marks during the process of transportation, handling and installation.

DUAL SOUND ABSORPTION

Grey coloured Ceramic undercoating with rubber pad, dampens the noise from sink during cleaning of utensils and also enhances the life of the sink.

CLEAN DRAIN TECHNOLOGY

The clean drain bin can be removed, emptied and assembled back quickly and conveniently. It prevents choking of drain- a common problem in Indian homes and maintains a cleaner sink after every use.

INSTALLATION INSTRUCTIONS

- 1) Do not install the Hindware Granite Sink till all the civil, electrical, carpentry & plumbing work in kitchen are done.
- 2) Unpack new sink from box and check the sinks for any damage.
- 3) Cut the granite/marble top with required cutting tool in correct size.
- 4) Check if the edges of top are even.
- 5) Carefully lay the fixing chemicals/cement below the beaded edge of the sink.
- 6) Fix the clean drain coupling in sink drain hole with waste pipe.
- 7) Prevent contact with water till sink is fixed.
- 8) Identify the pre-marked tap holes you need to drill. Using one hole saw, drill out the tap hole part from the underside of the sink and finish drilling the hole from the upper surface to ensure clean hole.
